TORNADOES.

SHOAL LAKE, MAN. NEWDALE, Man. CARLYLE, Sask HEWARD, Sask.
June 20th. 1933 0800 MST.

WFP. 6:20:33. A squall line moved across Saskatchewan Sunday night and reached Winnipeg at 8.00 p.m. (CST) Monday evening to break a heat wave. Sundays temperature in Winnipeg was 96, the high on Monday 76. Barn destroyed at Boissevain and Minnedosa. 40% crop damage at Basswood. " A near hurricane hit Shoal Lake between 5.30 and 6.15 a.m. with winds blowing from every quadrant. Several barns were destroyed one with a capacity for 60 horses and 200 heads of stock. A two storey house down at Hardy(Harding?). Barns were blown down and granaries oveturned at Newdale where 8-10 thsd. acres were 50-100% hailed out. The Village missed the hail which was confined to a narrow strip in and E-W line just south of the town. Roof off Lk. of Woods milling plant at Brandon where 48 mph winds were reported in the morning at the Agricultural Colle Copper sheeting torn loose in roof of Winnipeg's Legislative building, store windows blown in and wires down as well.

In Saskatchewan: barns and granaries toppled at Heward where chimneys were off most houses and some barns reduced to matchwood. In Flinton(Flintoft?) district several barns were shifted on their foundations, and granaries toppled. At Handsworth SO-torrential rains. At CARLYLE in the early morning trees were uprooted, chimneys blown down, buildings and barns blown down.
