24 OCT 1859

TERRIBLE TORNADO AT COLDWATER.

near Orillia — Lake Simcoe

To the Editor of the Colonist and Atlas.

DEAR SIR,—We have had a very unfortunate calamity in this village during the past night. Just before day-break a very fearful tornado or whirlwind burst upon this village, and in as little time as it takes to write these words, many of the buildings were unroofed and several utterly destroyed by being blown to pieces, and at the time the inmates were in their beds. It is really astonishing to witness the effects of this terrible visitation of Providence. I have not time to particularize, but cannot forbear mentioning that our school house was lifted from its foundation and carried into an adjoining lot, and many persons barely escaped with their lives. Roofs of houses and barns have been carried out of sight entirely, and even articles of household furniture wafted away through the air to parts unknown. Had this occurred in the day time, many lives would most likely have been lost; but as the inhabitants were in their beds, they escaped coming in contact with the various timbers, &c., flying about.

We have all very great reason to feel thankful that our lives have been spared, though the loss will be very severe to many persons. Excuse haste.

Your obedient servant,

Colonist / 24 Oct/1859

HENRY CHARLES,
Councillor, Medonte.

THE COLONIST. OCTOBER 24TH. 1859.

STORM DATE.

We have all very great reason to feel thankful that our lives have been spared, though the loss will be very severe to many persons. Excuse haste.
