FERGUS NEWS RECORD. THURSDAY MAY 7TH. 1903.

STORM DATE. THURSDAY APRIL 30TH. 1903.

Last week we had terrible weather with hard frosts every night with bright sun in the day.

On Thursday we had a terrific wind storm with blizzards of dust. At times the dust was so thick that one could see only a short distance. In the afternoon a cloud burst came up of dust with fearful winds followed by rain. Fences were blown down and some tied with wire were bodily lifted in sections of 60 or 70 yards in length and carried 5 to 10 yards out of place. MR. ED. BUCKLAND of lower WEST GARAFRAXA, had a part of the roof of his barn carried off. Trees were blown down and other damage done. The same afternoon the temperature changed and we had some snow and hard frost at night. Sunday we were blessed with a fine rain and now the grass is green.
