Hurled Into Air, Canoeist Drowns

Girl Companion Is Good Swimmer and Reaches Shore

Lindsay, May 27 (CP).—A picnic party of Lindsay canoers nearly ended in tragedy on the Scugog River, Sunday, when a whirlwind twister struck one of the canoes and lifted the paddlers six feet in the air, before dropping them into the river. The incident occurred in full view of a number of people standing along the bank.

Madeline Gassion, a strong swimmer, reached shore safely, but her companion, Frederick Green, unable to swim, sank from view, but was rescued when Carl Montomeglio, a spectator, swam to his aid.

A curious feature of the accident was the fact that the canoe remained upright, and a jacket belonging to Miss Gassien, lying in the bottom of the canoe, was not even wet.

THIS EVENT FOLLOWED 10 DAYS OF DROUGHT WITH EXTENSIVE FOREST FIRES RAGING THROUGHOUT EASTERN CANADA.
