HEAVY LOSSES CAUSED BY STORM

Trees and Fences Levelled and Barns Unroofed.

MANY BUILDINGS BURNED.

Stock Killed by Lightning—Glass Smashed and Houses Wrecked—Wide Area of Ontario Swept by Fierce Wind.

(Special Despatch to The Globe.)

Milverton, June 12.—A windstorm of almost cyclonic proportions, accompanied by thunder, lightning and rain, passed over this village and vicinity yesterday afternoon, doing a considerable amount of damage. Fences were blown down, shade and fruit trees in great number were uprooted and broken down, windows were blown in in seven or eight houses, the chimneys were demolished, damaging the roofs, a number of windmills were completely destroyed, while numerous barns and houses were turned on their foundations and some unroofed. A house belonging to Mr. Louis Hoffman, in the course of erection, was levelled with the ground, and the timbers strewn in a tangled mass on the street. In the adjoining field, belonging to Mr. S. H. Pugh, one of his cattle was picked up and carried a considerable distance by the force of the storm, but was uninjured. It is estimated that the storm had a velocity of about sixty or seventy miles an hour, and was the worst blow witnessed in this neighborhood since the cyclone that passed a few miles north of here seven years ago, when a number of houses and barns were reduced to matchwood.

On Friday afternoon, during the heavy thunderstorm, eight valuable cows belonging to Mr. Adam Gray of Elma township, were killed by lightning while standing under a tree in the field.

Barns Unroofed; Horses Killed.

Guelph, June 12.—(Special.)—The storm which passed over Guelph on Sunday evening did considerable damage in the neighborhood. Near Ponsonby, on the Elora road, nine or ten miles from Guelph, lightning killed three valuable horses belonging to Mr. Joseph Hall. The horses were pasturing in a field, quite close to the house, when struck. In the same vicinity the new barn of Timothy Sullivan was unroofed by the wind. Fences in the path of the storm were levelled and rails thrown in all directions. An old barn belonging to Mr. John Olinsky, who lives near New Germany, which had been raised on jacks, preparatory to having a stone foundation built under it, was blown over and wrecked.

Barn Burned.

Inglewood, June 12.—A violent thunderstorm passed easterly over this vicinity about 4 p.m. on Sunday, doing considerable damage. Archibald McGregor's fine barn, half a mile out, was struck by lightning and entirely consumed with its contents, including a colt. Loss about $5,000; some insurance.

Big Wind at Lake Simcoe.

Jackson's Point, Lake Simcoe, June 12.—A terrific wind storm struck Lake Simcoe about 4.30 yesterday afternoon and did a lot of damage. On the farm of Charles McLennan on the west side of the lake the barn was unroofed, the walls of the brick house were cracked, the windows were blown in, and the partitions shifted. Several inmates of the house were cut with glass.

At the farm of Dwight Rogerson the barn was unroofed.

Ben Averill's barn was also unroofed. So was Norman Wilson's at Belle Ewart. Two empty freight cars standing on the siding of the Knickerbocker Ice Company were lifted from the track and blown into the lake.

A summer cottage belonging to Mr. Dallon of Toronto was almost completely demolished.

On the Edgar property at Roach's Point the cyclone struck the beautiful pine grove. About forty valuable trees, some of them eighteen inches in diameter, were snapped off, and the grove is ruined.

To-day the service of the Toronto & York Radial on the Metropolitan is practically out of commission. There are said to be a number of trees on the track and the storms have damaged the company's equipment.

Many Barns Destroyed.

Peterboro', June 12.—(Special.)—Reports have come in from the country of the burning of barns by lightning. During the electrical storm on Saturday night the barns of Wm. Pearson of Smith, the best in the township, were burned with their contents; partly insured. The same day two barns and all the outbuildings of Mr. Hugh Fife, Otonabee, were struck by lightning and burned, together with a large quantity of stock and poultry; partly insured.

THE BANNER, ORANGEVILLE. JUNE *15 1911, p2,3

STORM DATE, Sunday June 11 1911, 1600 local.

VICIOUS THUNDERSTORMS

Orangeville and the surrounding townships were visited by several vicious thunderstorms on saturday, sunday and monday. They were accompanied by violent gales and considerable hail is reported from some localities. Wind and lightning did a great deal of damage to windmills,barns and stock. The worst storm of the series in this section at any rate blew up quite suddenly about 4 o'clock sunday afternoon. The wind was terrific and seemed to hav have had the circular motion characteristic of the cyclonic storm. Several shade trees were blown down or broken in town and some damage was done to electric light and telephone wires. The storm was even worse a few miles north of here. Fences were levelled on many farms in Amaranth and Mono and a number of windmills were wrecked. A large barn of Mr Wilmer Walker's near Bowling Green was partly unroofed. J J Leighton's barn on the Centre Road Mono, met with a similar fate and his windmill was also wrecked. A windmill on John Hewitt's place in the same neighbourhood was also blown down. Hugh McGuire's barn near Relessey was damged and a barn belonging to Samuel Mason,Adjala,was levelled to the foundation walls. Charles Reid's barn just east of Orangeville was also slightly damaged. James Hilliard near Alton had 2 milk cows killed by lightning saturday morning. During the same storm, lightning shattered the chimney and damaged the roof of John Crage's dwelling house in Amaranth, While they caused loss in many individual cases the storms have done a vast amount of good. The rain was badly needed especially on the light lands in Mono, Mulmer and Adjala townships. The rains ahve been succeeded by cooler weather which will also prove beneficial to the rapidly growing crops.

Mulmur. The long looked for rain came on saturday night accompanied by thunder and lightning. On sunday afternoon about 4 o'clock a terrific rain and wind blew up from the southwest, barns were unroofed, trees blown over and fences strewn in every direction. Service was in progress in Trinity Church, Adjala, when the storm struck the edifice, the wind blowing down the spire and lifting off part of the roof. A panic arose among the congregation, some of whom made their exit through the windows and girls hats were blown off and lost as their owners made their way to the shelter of the shed in a drenching rain.

Melancthon. Quite a heavy rainstorm took place here on sunday and monday, the wind splitting large trees in some cases.

Camilla. A heavy rain and windstorm visited our burg on saturday evening but passed off without doing any damage. Another violent storm on sunday afternnon accompanied by heavy rain and many of

VICIOUS THUNDERSTORMS? CONTD.

our neighbours were seen erecting their fences in the calm of the evening.

Laurel. Most of our citizens seem to think that we were very fortunate to escape as well as we did. Saturdays storm was followed by another terrific wind and hailstorm on sunday afternoon. The water and hail fell in torrents yet very little serious damage appears to have been sustained.

FERGUS NEWS RECORD. THURSDAY JUNE 29TH. 1911.

STORM DATE. "TWO WEEKS AGO"?

METZ: The wind storm of two weeks ago did considerable damage to the barns of Messrs FLEWELLING, SPENCE, Mc. DELLAND and THOMSON mostly to the latter, taking down part of the stone foundation.

THE STRATFORD DAILY HERALD, ONT., MONDAY JUNE 12TH.1911.

STORM DATE. ABOUT 3:30P.M., SUN. JUNE 11TH.1911.

MITCHELL, JUNE 12. A severe wind storm struck MITCHELL about 3:30p.m. Sunday and for a short time it looked as if a great deal of damage would be done, but luckily the blow only lasted for a few minutes. In this short space of time, however, many shade and fruit trees suffered in many parts of the town being blown down or having large limbs blown off, and the ground was trewn with leaves and twigs. A number of telephone and electric wires were blown down. The large steel smokestack on WILLIAM FORESTER'S FLAX MILL was blown down. A short time ago the mill narrowly escaped being destroyed by the fire during the thunderstorm, it being fired by the lightning, but was noticed in time and put out. A heavy trapdoor was blown off of the roof of some building and landed on the sidewalk in front of DR. ARMSTRONG'S office, MAIN STREET. Luckily it happened a few minutes before the Sunday schools were let out or someone might have been hurt or even killed. Very little rain fell in town but to the north of MITCHELL the storm seemed to be worse, but so far no report of any serious damage has been received.

SAME PAPER, TUESDAY JUNE 13TH.1911.

STORM IN ELLICE AND LOGAN.

A number of reports came to town from the country yesterday in regards to Sunday's storm, which seemed to be more severe further north. In McKILLOP many trees were uprooted and broken off. MR. ECKERT had 20 apple trees destroyed, while many more orchards suffered. In LOGAN and ELMA, CHARLES FRANCIS, CON. 12, LOGAN, had the roof taken off his barn and other barns had the whole part of the roofs torn off. A house on the 14TH. CON. LOGAN is reported to have been struck by lightning and the chimney demolished. In ELMA TOWNSHIP the storm was also severe and many trees and and some barns were wrecked, but no loss of life or stock is reported. Every one says that it was the worst wind storm which visited these parts for many years.

ST.MARYS AND DISTRICT, ONTARIO.

THE GLOBE, TORONTO, THURSDAY JULY 6TH. 1911.

STORM DATE. SHORTLY AFTER 4P.M., WED. JULY 5TH. 1911.

STORM WAS VERY FIERCE, BARNS WERE DESTROYED AND TREES UPROOTED.

(Canadian Press Despatch)

ST.MARYS, JULY 5. The electrical and rain storm that passed over ST.MARYS and district shortly after 4 o'clock was the most disastrous in local history. A young man named HOLMYARD, for nine years hired man for ADAM SMITH, on the MITCHELL ROAD, two miles north of ST.MARYS, who took refuge under a tree, was struck and instantly killed.

The large barns on the farms of W. MOFFITT and DONALD McLETTON in BLANSHARD, were struck and totally destroyed.

The new barn on CHARLES BARNETT'S farm was blown off the foundations and totally wrecked. The FIRE HALL was struck and badly damaged. There was a heavy fall of rain and hail, and trees were uprooted and poles and fences blown down.

ANDREW LEE, an employee of the W.L.& H. COMMISION, while up a pole on TRACY STREET, just before the electrical storm started in the afternoon, grabbed a live wire which sizzled around his head, and he fell to the ground dead.

THE CONSERVATOR, BRAMPTON ONTARIO. THURSDAY JULY 6TH. 1911.

STORM DATE. P.M., WED. JULY 5TH. 1911.

During the storm on Wednesday afternoon a driving house, 20x30 on the farm of MR. JOHN FERGUSON, CENTRE ROAD, CHINGUACOUSY, was blown down and completely wrecked. In it was a new buggy which was damaged almost beyond repair. There was also a binder in the building which was also badly damaged.

A silo on MR. FRANK HILLOCK'S farm, east of the town, was struck but no serious damage followed.

JOHN SMITHERS' stable at No. 10, was struck by lightning but was not burned.

Several of the trees in MR. FRASER HUNTER'S orchard were blown down, some being uprooted and the loss will be considerable.

MR. JAMES EARLY'S silo was blown over during the afternoon.

The telephone systems in the rural districts were put out of business during the electrical disturbance.

The smokestack at the COPELAND-CHATTERSON FACTORY was struck and a number of bricks torn out. No serious results followed. Within the building there was considerable disturbance. The electric motors seemed to attract the lightning which flashed through the building. Five girls fainted and there was great alarm among the employees for a few minutes but nobody was hurt.

MOFFAT, NEAR MILTON ONTARIO.

THE GLOBE, TORONTO, FRIDAY JULY 14TH. 1911.

STORM DATE. WED. JULY 12TH. 1911.

STORM IN MOFFAT DOES SOME DAMAGE.

BARNS UNROOFED AND BURNED, AND BUILDINGS BLOWN DOWN.

(Specail Despatch to The Globe)

GUELPH, JULY 13. The electric storm which passed over MOFFAT on Wednesday did a lot of damage. MR. J. H. DONOVAN'S house was struck. The lightning came down through the kitchen roof by the stove, set fire to some clothing, and tore up the carpet and oilcloth in the dining room. MR. ALEX McCURDY was not so fortunate. His barn was burned to the ground, with a lot of hay, grain, implements and fowl. A number of barns were unroofed and several silos were also blown down.

Near CLIFFORD the barn of MR. JOHN PRICE was struck by lightning. MR. PRICE was in the barn milking at the time and as a fire started following the flash, he dashed a pail of milk over it, extinguishing the blaze and saving the building.

THE ADVERTISER,LONDON,ONT.TUESDAY SEPTEMBER 5TH.1911.

STORM DATE.P.M.,SAT.SEPT.2ND.1911.

MUCH DAMAGE AT AILSA CRAIG.

STORM INJURED THREE MEN AND CAUSED GREAT FINANCIAL LOSS..A SAWMILL DESTROYED..ROOF OF BARN TORN OFF IN McGILLIVRAY AND HURLED AGAINST A FARMER'S HOUSE.

(Special to The Advertiser)

AILSA CRAIG,SEPT.5.A terrific tornado which swept over this part of the county on Saturday,overturning buildings and twisting entire bushes and orchards from the ground,worked the greatest havoc in the history of the section.An electrical storm,accompanied by a cyclone,lasted less than 15 minutes,but left a trail of destruction in its path.The entire section south of DENFIELD and the greater portion of WEST McGILIVRAY suffered the most severely.

BARN TURNED OVER.

The huge barn of WILLIAM OVENS,on CON.1,was turned completely about,and the sheet metal roof wrenched off and hurled a 100 yards over the railway tracks.

The barns of ELY REESE,on CON.7,of the same township,were also wrecked,while those of ALEX McLEAN,on the TOWN LINE WEST,near AILSA CRAIG, were burned to the ground with the seasons crops.

SAWMILL DESTROYED.

In AILSA CRAIG,SAMUEL GILLIES'SAWMILL was torn to pieces,even the brick work being blown down.The steeple was also knocked from the PRESBYTERIAN CHURCH here.A cow belonging to WILLIAM McCLURG was killed in the fields when a tree was blown upon it,while JAMES SMITH,west of this village,also suffered considerable loss.Phones were put out of commission and trees uprooted everywhere.A willow which stood in front of the GRAND TRUNK STATION here,although about 4 feet in diameter,was twisted from the ground.

THREE MEN INJURED.

Three men who sought shelter when caught in the fields near here were slightly injured.As one man ran for safety he was struck by an out-house blown through the air,but escaped serious unjury.

The buildings of both JOHN and WILLIAM WALKER,on CON.18,of WEST WILLIAMS,were torn to pieces,while a new barn belonging to R.J.ROBINSON, of McGILLIVRAY was split in two.

A PECULIAR ACCIDENT.

A peculiar accident occurred on the TOWN LINE EAST in McGILLIVRAY,

when the roof was wrenched from the barn of JAMES O'NEIL and hurled against the side of his residence, where it punctured the wall, leaving a hole through which a team of horses could be driven. Luckily no person was in the place at the time. Barns belonging to SAMUEL PEDLAR and JOHN HUTCHINSON were wrecked, while that belonging to JOHN McINTYRE, on the TOWN LINE WEST, was considerably damaged.

TERRIFIC STORM RAKED COUNTRY

House Blown Down and Barns Unroofed at Birr, on Proof Line Road.

→ No 4 HIGHWAY

MANY NARROW ESCAPES

Whole Orchards Wiped Out, and Hundreds of Barrels of Fruit Lying on the Ground.

A terrific wind and rain storm swept over the northern part of the county of Middlesex, and the southern portion of Huron County on Saturday afternoon, causing great destruction to homes and farms.

One house was demolished, barns were unroofed, orchards were levelled, fences torn down, while several persons were more or less badly injured.

Around Lucan, Birr, Elginfield, Ailsa Craig, and in Usborne Township, the storm was the most furious, and damage amounting to many thousands of dollars was occasioned.

Narrow Escapes.

Two people had very narrow escapes from serious injuries, while others had very thrilling experiences.

In some places whole orchar s were literally smashed to the ground. What little timber remains in this section was damaged considerably, while a score or more of barns were unroofed.

Some of the finest orchards in London and Biddulph Townships were completely wiped out. Hundreds of barrels of apples are lying under the trees a total loss.

Blown From the Road.

When the storm broke two children were driving along the road in Biddulph Township. The wind caught them broadside, and blew them into an adjacent field. Their escape from death was simply marvelous. Other than many bruises and a shaking up they escaped serious injury.

The Proof Line road was the centre of the storm area. For miles destruction can be seen on every hand Trees are broken in two like pipe stems, and everywhere the fury of the storm can be seen.

House Destroyed.

The home of Mr. George Hall at Birr was practically demolished. The wind lifted the roof, and part of the second story. Mrs. Hall and her 6-year-old daughter were in the house when the crash came. They were covered by pieces of broken scantling and timber, but managed to make their way out. They were bruised but not seriously injured. Their escape was marvelous.

Silo Blown Down.

A huge silo, on the farm owned by Percy Ferguson, on the Proof Line road, was blown over and scattered over the fields. Although of cement construction it could not withstand the fury of the wind. The barn near which it stood was unroofed.

A large shed on the premises of Mr. Thomas Thompson, concession 16, London Township, was blown over, and completely destroyed.

The barn on the Ovens farm, near Lucan, was unroofed also. The roof was made of tin, and the wind carried it across the railway tracks into an adjoining field, where it is today.

Others on the Proof Line Road, including Messrs. Ernest Guest, A. M. Crunican and J. Brumwell, suffered considerable loss. Their barns were badly damaged, and their orchards smashed almost to pieces by the fury of the wind.

Struck by Lightning.

The lightning accompanying the storm was vivid. The barn of Mr. James Ryder, on the Roman Line, Biddulph, was struck, and completely destroyed. The loss will be considerable. The insurance amounted to $1,000, which will not nearly cover the loss.

Mr. John R. Hardy, who lives near Birr on the Proof Line, had his whole orchard, one of the finest in that section, and covering three acres, completely destroyed. Scarcely a tree is left standing. The loss will be great.

THE GLOBE, TORONTO, TUESDAY SEPTEMBER 5TH. 1911.

STORM DATE. P.M., SAT. SEPT. 2ND. 1911.

MANY BUILDINGS WRECKED IN LONDON AND BIDDULPH TOWNSHIPS.

A TERRIFIC STORM VISITS THE PROOF LINE ROAD DISTRICT. GEORGE HALL'S HOUSE PRACTICALLY DEMOLISHED. NARROW ESCAPE OF MRS. HALL AND DAUGHTER.

(Special Despatch to The Globe)

LONDON, ONT. SEPT 4. Tales of narrow escapes from death and of great financial loss are coming in as the result of a furious storm which broke over the district north of LONDON on Saturday afternoon. One house was blown down, and the occupants were within a narrow margin of death. Scores of barns were unroofed or more or less damaged, and whole orchards of trees laden with apples and other fruit, were uprooted.

The house of GEORGE HALL, on the PROOF LINE ROAD, at BIRR, was practically demolished. It was a two-story affair, and wind tore off the roof and most of the second story. MRS. HALL and her six-year-old daughter were in the yard at the time and rushed into the house, where they were covered by pieces of flying timber.

The barn of JAMES RYDER, on the ROMAN LINE, BIDDULPH, was struck by lightning and the entire crops of the season, with buildings and implements, were a total loss. The insurance amounts to only $1,000.

A huge silo on the farm of PERCY FERGUSON, PROOF LINE ROAD, was blown down and scattered over the fields, and the barn near which it was built, suffered the loss of its roof.

A large building on the premises of THOMAS THOMPSON, 16TH. CON. LONDON TOWNSHIP, was blown over.

The orchard of JOHN R. HARDY, near BIRR, is wiped out, and the buildings are damaged.

A MRS. COURSEY of BIDDULPH, was struck by pieces of flying timber and injured.

A barn on OVENS' farm at LUCAN, was unroofed, and the roof, which was of tin, was carried across the railway tracks and into a field.

Others whose orchards and buildings suffered severely are, ERNEST GUEST, A. M. CRUNICAN and J. BRUMWELL of the PROOF LINE ROAD. The loss will run into many thousands of dollars.

Two children who were driving and were blown from the road were slightly scratched, and badly shaken up. Otherwise they were unhurt.

For miles there is a trail of destruction, and in many places is almost impossible to travel the roads, owing to the trees which were blown across the highways.

THE GLOBE,TORONTO,WEDNESDAY SEPTEMBER 6TH.1911.

THE AILSA CRAIG SAWMILL WRECKED.

CHURCH STEEPLE BLOWN DOWN FURTHER DETAILS OF SATURDAYS STORM.

(Special Despatch to The Globe)

LONDON,ONT.SEPT.5.Further details of Saturday's storm continue to come in from the country north of here.At AILSA CRAIG there was much damage, among the places wrecked being SAMUEL GILLIES' SAWMILL,which was torn to pieces.The steeple of the PRESBYTERIAN CHURCH was knocked down,while huge trees all over the storm-swept area were uprooted.All the telephone systems in the district were affected.Damage to barns will amount to a considerable sum.
