LANARK COUNTY TORNADO.

THE GLOBE, TORONTO, FRIDAY MAY 27TH. 1932.

STORM DATE. EVE. WED. MAY 25TH. 1932.

HURRICANE SWEEPS LANARK COUNTY AREA RAZING BUILDINGS.

(Special Despatch to The Globe)

PERTH, MAY 26. Demolished barns, uprooted trees, roofless sheds and minor damage to farm buildings in the TOWNSHIPS of BATHURST and SHERBROOKE, LANARK COUNTY, were reported here by farmers today after a blast of wind with the intensity of a tornado, swept a fifteen-mile stretch of country several miles west of PERTH, in last evening's electrical storm. The swath cut by the storm was about three miles in width, stretching from BROOKE, where the ANGLICAN CHURCH sheds were blown down, through MABERLY, where the AGRICULTURAL SOCIETY HALL was shifted several feet from its foundations, to the 3RD. LINE of BATHURST, at which area heaviest losses to farmers are reported.

Two barns on the farm of WILLIAM BRADY and one on that of DANIEL BRADY, 3RD. LINE of BATHURST, were smashed. The blast lasted about fifteen minutes. Prostrate fences and telephone poles also testified to the fury of the hurricane, which tore the shingles off the south side of the roof on HENRY CHAPLIN'S BATHURST home, and razed his barn. Roofs were torn off several buildings, mostly sheds and outhouses. A sharp but short downpour of rain accompanied the wind.

(WESTERN ONTARIO also hard hit by storms and heavy rains.. One man killed by lightning in COLCHESTER TOWNSHIP)
