Soldier Killed, 18 Injured In Quebec Gale

FARNHAM

Farnham, Que., July 10 (CP). — One soldier was killed and 18 slightly injured when an electrical storm, accompanied by a high wind, struck the training camp here, 35 miles south of Montreal.

The man killed was struck by falling timbers when a small army hut collapsed. Several small buildings were damaged by the wind and several tents were blown away. Army officials said extent of the damage had not been determined.

The camp was being used for the summer training of Reserve Army units of the Montreal district. The units at the camp included the reserve units of the 7th Reconnaissance Regiment, 4th Division Signals, Grenadier Guards, Black Watch, Royal Montreal Regiment, Victoria Rifles and various auxiliary troops.

[illegible] Montreal

Montreal, July 10 (CP). — The electrical storm which [illegible] today set a [illegible] by bringing the rainfall for a [illegible] period up to 3 inches, [illegible] officials said today. The normal rainfall for the full month of July is 3.78, a mark which has already been exceeded this month.

Lightning Hits Church

Kingston, July 10 (Special).—The Centreville United Church, 15 miles north of Napanee, which last month celebrated centennial services, was totally destroyed by fire at 12:10 a.m. today when a bolt of lightning struck the belfry during a heavy electrical and rain storm. Fixtures were rescued undamaged. The church was built in 1845 at a cost of $1,[illegible]. The church had been hit by lightning twice before, but the flames were extinguished before serious damage was done.
