WHIRLWIND, MEAFORD, ONT.

THE GLOBE, TORONTO. WEDNESDAY JULY 31ST. 1935.

STORM DATE. JULY 1935.

WIND PLAYS FREAK TRICK.

LIFTS AND SCATTERS COIL OF HAY AT MEAFORD.

MEAFORD, JULY 30 (C.P.) Wind does funny things sometimes. JOHN FINDLAY was coiling up hay on his premises on the outskirts of town. A slight breeze was blowing. FINDLAY went into the house for a drink of water.

As he came out of the door he saw one of the big coils of hay lifted off the ground high in the air, as if pulled by a crane. It went up about 40 feet and then spread, covering many of the apple trees in the adjoining farm of MRS. W.J. JOHNSTON.
