THE GLOBE.

SAT. JULY 8TH. 1905.

BAD STORM NEAR BARRIE.

BARNS WRECKED. TREES UPROOTED. FENCES SCATTERED.

Special despatch to The Globe.

BARRIE. JULY 7TH. A tornado, accompanied by hail, rain and teriffic lightning, swept this district yesterday. Chas. Stewart's property on the 4th concession of Vespra suffered about $400 damage, the roof being blown off his barn and the kitchen torn away from the house. Uprooted trees were carried long distances, and fences were scattered. Several barns were blown over in MIDHURST. Bert Primrose went into a partly constructed barn. The building fell, burying him underneath. A beam struck the back of his head, jamming his face into a pile of sand, which probably saved his life. His lower jaw was broken, and he received other serious injuries. Lightning struck several places near THORNTON.
