9TH JUNE 1858

STORM ON 4 Time 1868

GREAT STORM.—On Friday last we were visited by a violent storm accompanied with hail. We hear of houses and barns being unroofed, fences blown away, trees uprooted, and a vast amount of property injured by the severity of the wind. Hailstones fell which measured six inches in circumference.—*St. Mary's Journal, June 9th.*

STORM ON 26TH MAY
