TERRIFIC ELECTRIC STORM

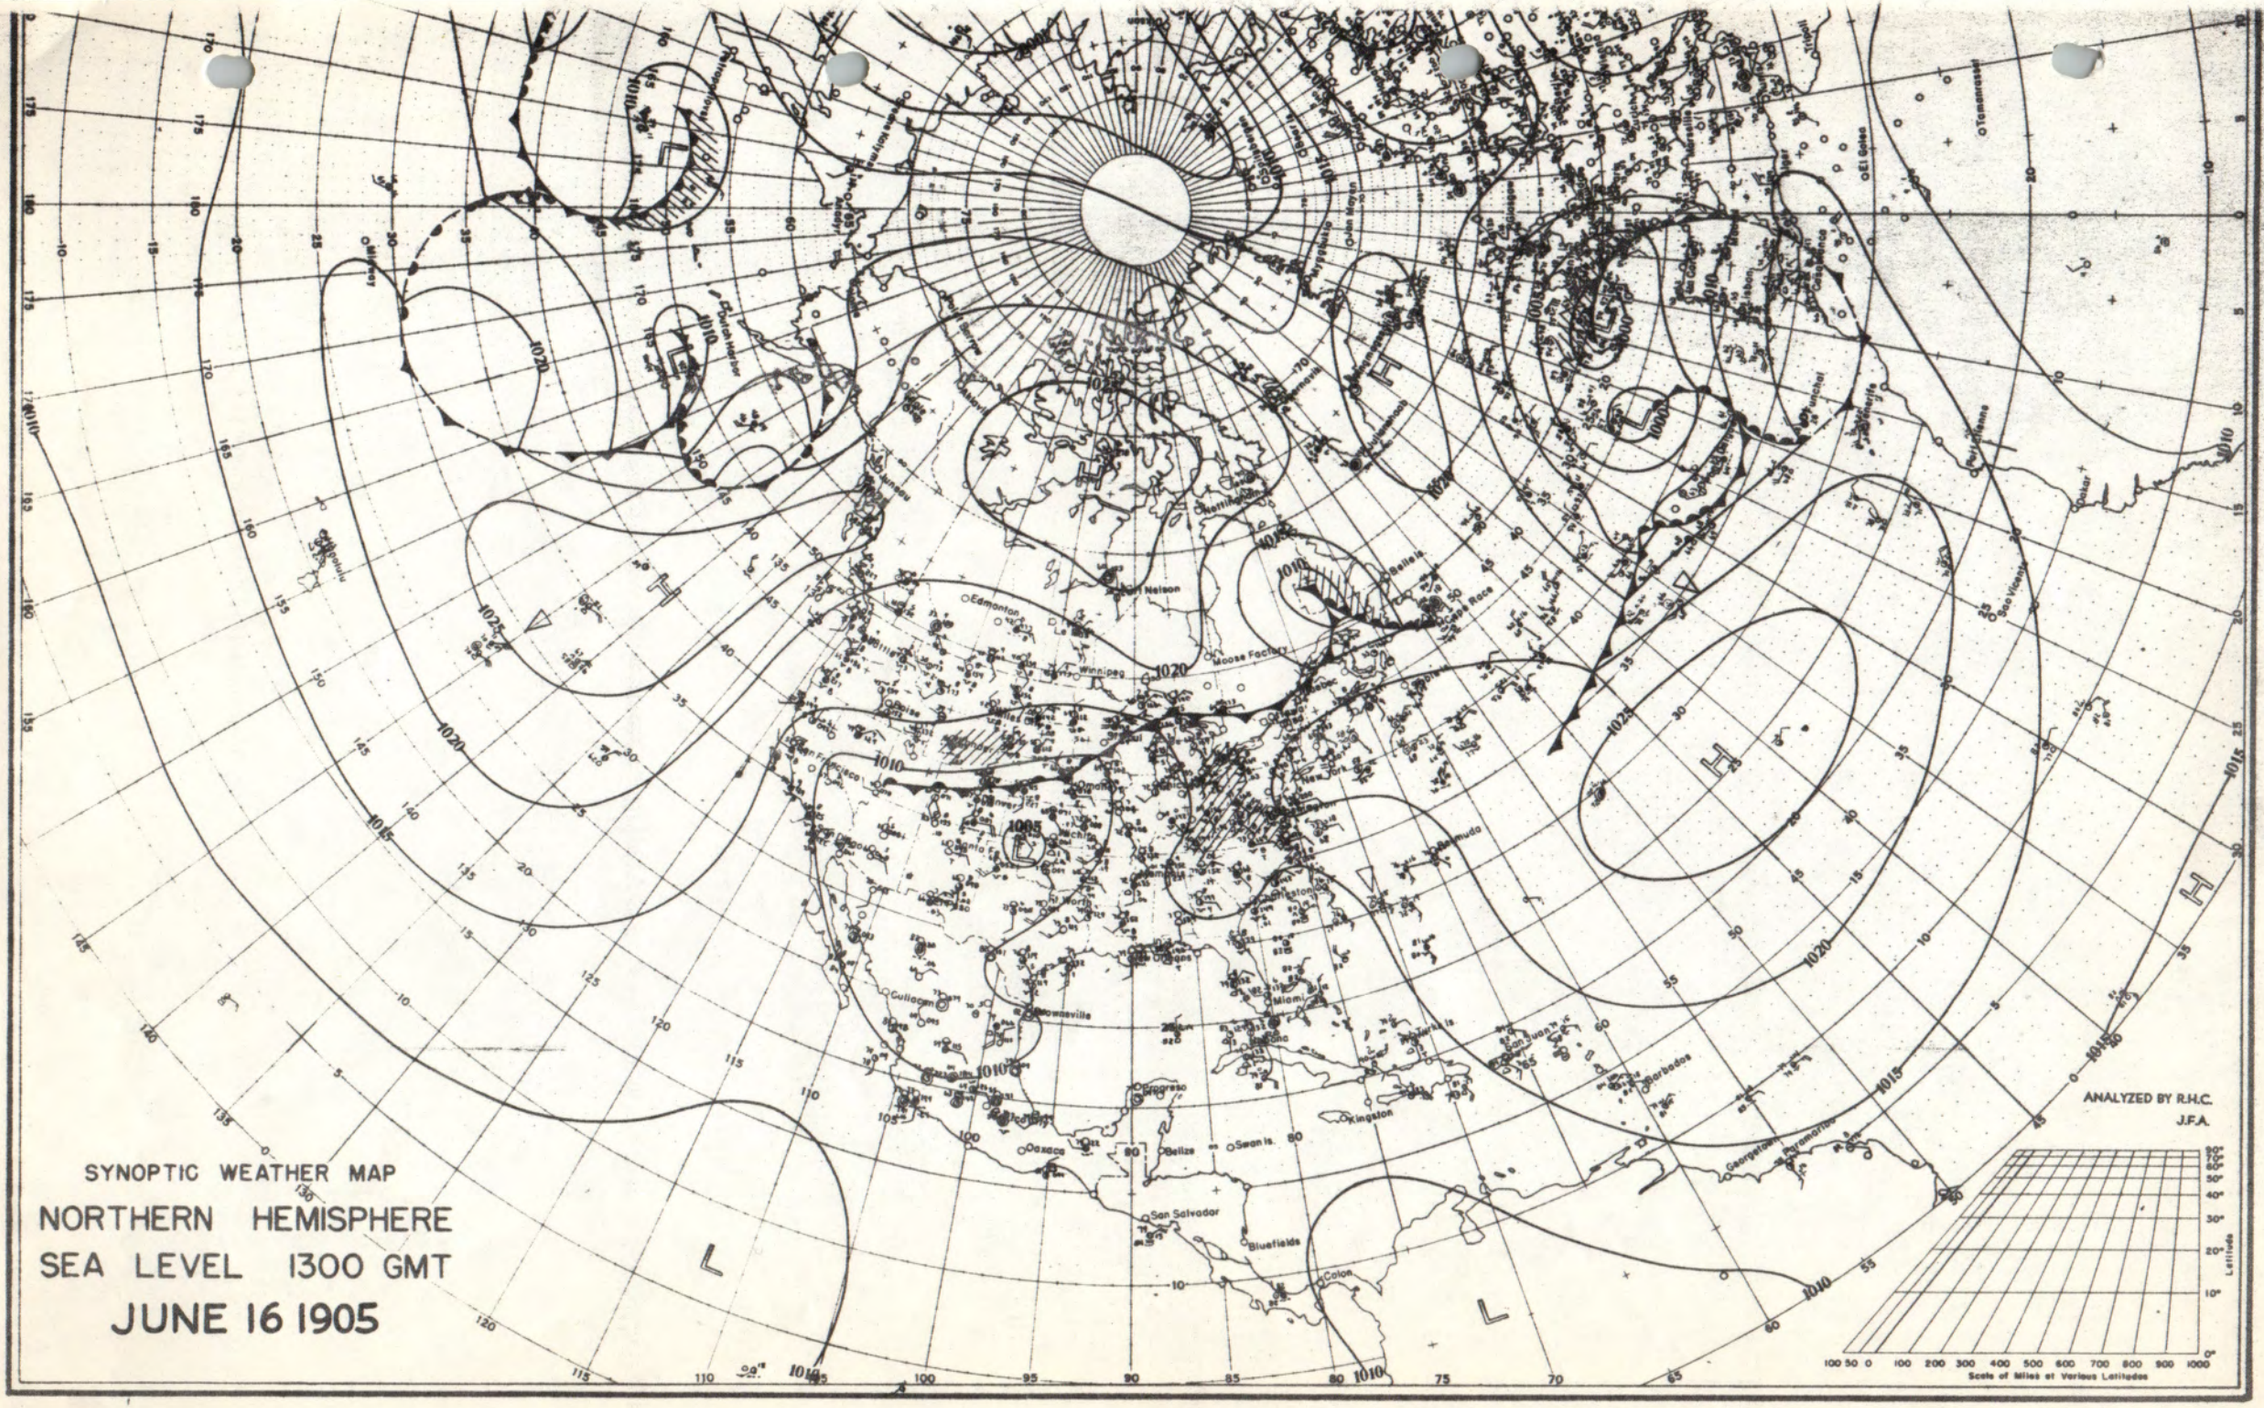

RALEIGH AND DOVER TOWNSHIPS, KENT CO SUFFER HEAVY LOSS

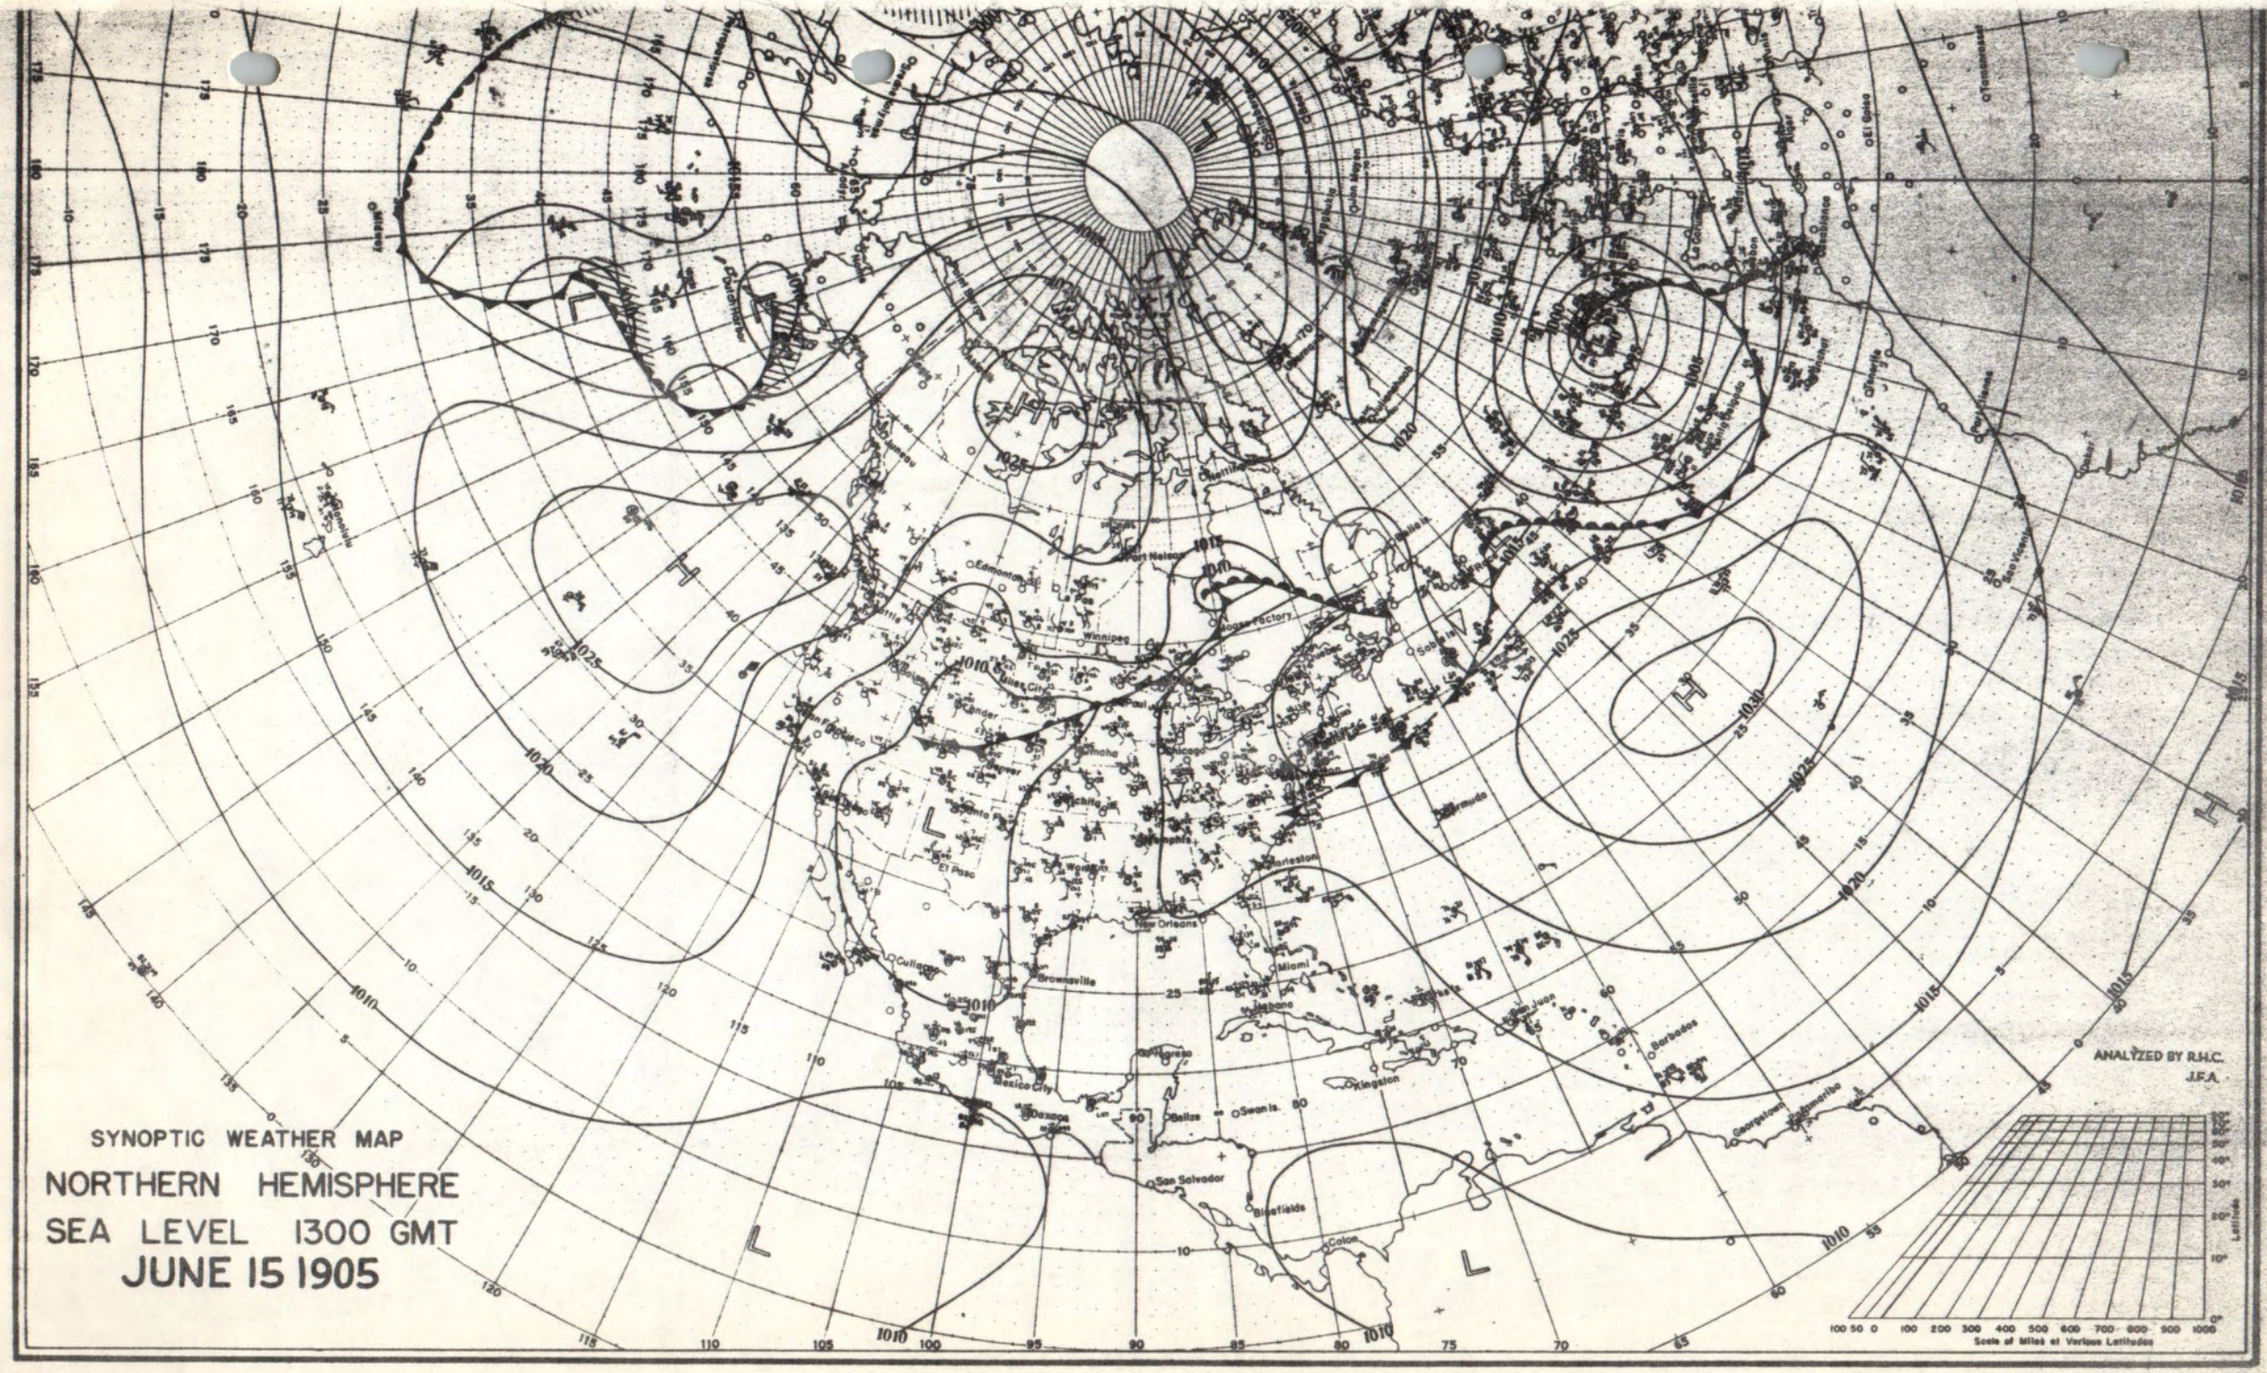

A CHATHAM REPORT.

A terrific electric storm with the wind rising to the volume of a regular tornado accompanied by a drenching rain passed over the county yesterday,,but especiallya affected Raleigh township. In that locality the storm was particularly severe, barns being unroofed and demolished, fences were blown in every way, cattle injured, whole orchards levelled, and in one or two cases people in the fields or driving had narrow escapes. The storm first struck the farm of Samuel Denis, 5th concession, where the roofs were blown off the barns.

It next struck the slaughter house on the farm of Thomas Lewis, tearing one side off and levelling the barn standing near. Harry Keeley and Duncan Williams employees of Mounteer and Easton, butchers, this city, were in the slaughter house, and were badly shaken up. James O Rourke, 7th concession, had the roof taken off his barn. John Moores barn was unroofed, besides tearing the walls to pieces

In the city rain fell in torrents, telephone, telegraph and electrical wires were damaged, and the whole neighborhood is in darkness. About 11 o clock a bolt struck the huge smokestack of the Wilson Binding Twine Company danaging the stack and boiler some-what
