BARRIE NORTHERN ADVANCE. JULY 30TH. 1862. (WEDNESDAY)

STORM DATE. MONDAY JULY 28TH. 1862.

A WHIRLWIND.

Our town, or rather a portion of it, was visited, on Monday evening about 6 O'clock with a whirlwind, which, although doing but little damage, gave evidence of its power and strength. It came from the northwest, astonished a horse on the outskirts of town by spinning him around two or three times, levelling to the ground a house opposite the gaol, belonging to Mr. ANDREW MISCAMPBELL, which was about being underpinned and was untenented, lifted up the roof of Mr. DAVID DOUGAL'S verandah a few inches, crossed over by the METHODIST CHAPEL, knocking about some boards which fortunately struck no one, (although we believe, some of them were driven into buildings) and levelled a portion of Mr. ALEXANDER'S fence on POYNTZ STREET, taking the posts clear out of the ground. It then struck the roof of Mr. GRAHAM'S TANNERY, and rent off and carried away a portion of the shingles and sheeting boards some eight or ten feet square, besides tearing off the shingles in three or four other parts of the roof. From this it passed across the Bay, lifting a volume of water to a great height in its course. It probably expended its force before it reached the INNISFIL shore, as we have not heard its being noticed in that Township.

We should add that this furious blast performed its mischevious freaks just as a thunderstorm was coming on, the clouds overhead being of a blackness and intensity seldom witnessed, and heavily charged with electricity.

SIMCOE COUNTY ARCHIVES.
