FERGUS NEWS RECORD.THURSDAY MAY 15TH.1930.

STORM DATE.WED.MAY 7TH.1930.

BELWOOD CORRESPONDENT.

On Wednesday of last week a miniature cyclone struck our village and surrounding country,rocking the buildings on their foundations and doing considerable damage.A funnel shaped cloud appeared on the horizon and seemed to be rolling along at a terrific rate and some people were rather quacky as to their safety if it ever let loose.But it appeared to pass over.Several roofs were lifted off and everywhere we can see rail fences stretched flat along the fields.
