THE NAPANEE BEAVER

FRI JUNE 27 1969

7-1055

A TORNADO swept the Camden East area last week and left considerable destruction in its wake. Residents said they could see the gale coming as it left a path of damage in its trail. This large tree was blown down by the wind and other damage in the village included the destruction of farm buildings and equipment as well as the uprooting of trees.

CAMDEN - EAST
