WINDSTORM, NOREMBEGA, 10 MILES NORTH IROQUOIS FALLS, N. ONT.

THE GLOBE, TORONTO, WEDNESDAY JULY 4TH. 1934.

STORM DATE. MON. JULY 2ND. 1934.

HEAVY WINDSTORM LIFTS THREE MEN AND HOUSE IN AIR.

(Special and C.P. Despatches).

IROQUOIS FALLS, JULY 3. Reports reaching here late today said a terrific windstorm that struck the settlement of NOREMBEGA carried a house more than a mile and lifted three men 25 feet in the air. The storm occurred yesterday.

A steel transmission tower, carrying power for the ABITIBI POWER and PAPER COMPANY, was twisted and torn. The line was put out of commision. None of the three men who were carried aloft by the force of the wind was badly hurt.

The storm travelled in an easterly direction. The tail-end struck here. Lightning struck MRS. WILLIAM HARKINS, paralyzing one side. J. LANNING, Cochrane surveyor, was struck by a lightning bolt near NELLIE LAKE and was badly burnt. He will recover.

(INGERSOLL, ONT. had a severe electrical storm between 6 and 7a.m., on the 3rd. which blew down trees and cut off hydro and telephone service)
