ELORA EXPRESS, THURSDAY JULY 10TH. 1958.

STORM DATE. AFTERNOON, THURS. JUNE 26TH.? 1958.

SMALL TWISTER REPORTED AT BELWOOD.

Residents at LAKE BELWOOD report that a small twister visited one part of the area last Thursday afternoon. Of short duration the high wind with its funnel tore the roof covering off of at least one cottage, lifting a child's portable swing off the ground, toppled over other movable objects and carried one box across the lake. One woman said it had the appearance of a miniature tornado. ERIN ADVOCATE.
