STORM DATE: "LAST NIGHT" TUES JULY 22 1926.

NEW BRUNSWICK

WOMAN IS DROWNED IN TERRIFIC STORM

Canoe Upset—Hall Blown Down and Three Dancers Are Injured

(Canadian Press Despatch)

Fredericton, July 23.—One woman was seriously injured and two men received broken legs last night when a tornado-like storm blew down a hall in which some seventy people were dancing at Rolling Dam, Charlotte County. The happening was part of the havoc caused by electrical and wind storms which swept five counties in central New Brunswick. News of its effects became known today. Numerous buildings were blown down in various parts of York, Carleton, Charlotte, Sunbury and Queen's County.

Mrs. Howard Tims, of Fredericton, was drowned when the storm upset her canoe at French Lake, Sunbury County. Her companion, Miss Thelma Binc, of Lakeville Corner, was saved. This was the only fatality reported.

Damage to crops was not serious, according to reports although hail fell in some places. The highways are strewn with trees. Dozens of barns were blown down, buildings were unroofed, freight cars on the Canadian Pacific line in Carleton County were wrecked, lighting services were put out of order and there was general damage of various kinds.
