TORNADO MOVES MINE BUNKHOUSE.

GERALDTON JULY 24TH. A 30 foot ride in a bunkhouse with a tornado supplying the motive power was experienced this week by two miners near the Northwestern Ontario settlement of Geraldton, and neither was injured.

The tornado struck suddenly Monday while A Bornet and E Scheehan were in the bunkhouse of the Magnet Consolidated Mines.

The bunkhouse went only 30 feet but the roof was torn off by the wind and carried 200 feet.
